A		F	
Anæmia, Hæmolytic, in Acute Glomerulonephritis, by W. J. Hensley	180	Fairley, Sir Neil Hamilton—The Chemoprophylaxis and Chemotherapy of Malaria in Man with Special Reference to the Life Cycle..	7
Aneurysm, Dissecting, of the Aorta Confirmed by Angiocardiography, by E. J. Halliday ..	68	Fantl, P., and Ebbels—Experience with the Intramuscular Administration of Heparin Preparations: A Comparison between Aqueous and Retard Heparin	135
Antibody to the Erythrocyte-Coating Polysaccharide of Staphylococci: Its Occurrence in Human Sera, by Phyllis M. Rountree and R. G. H. Barbour	80	Finckh, E. S., Saint and Parsons—Acute Porphyria: A Study of Six Cases.. .. .	163
B		Foreword	3
Barbour, R. G. H., and Rountree—Antibody to the Erythrocyte-Coating Polysaccharide of Staphylococci: Its Occurrence in Human Sera	80	Fortune, Cyril — Vascular Abnormalities of the Lung	42
Barnett, A. J., and Fowler—The Action of "Regitine" in Man with Special Reference to its Adrenergic Blocking Action	109	Fowler, R., and Barnett — The Action of "Regitine" in Man with Special Reference to its Adrenergic Blocking Action	109
Billington, B. P.—Duodenal Intubation in Diagnosis	142	G	
Blacket, R. B., Sinclair-Smith, Palmer, Halliday and Maddox—Ebstein's Disease: A Report of Five Cases	26	Glomerulonephritis, Acute, Hæmolytic Anæmia in, by W. J. Hensley	180
Blood Coagulation, The Role of, in the Production of Hæmoglobinuria, by R. N. Lyons	78	H	
Blood Groups of Quadruplets, The, by R. J. Walsh	140	Hæmoglobinuria, Paroxysmal Nocturnal, The Role of Blood Coagulation in the Production of Hæmoglobinuria, by R. N. Lyons	78
Burnet, Sir Macfarlane—The Pattern of Disease in Childhood	93	Hæmorrhage, Subintimal, The Hæmodynamics of, by E. S. J. King	18
C		Hæmorrhagic Disease due to a Circulating Anticoagulant, with Report of a Case, by A. F. Knyvett	84
Cooper, D. A.—Rupture of a Coronary Vessel: A Report of Two Cases	176	Halliday, E. J.—Dissecting Aneurysm of the Aorta Confirmed by Angiocardiography	68
Coronary Vessel, Rupture of a: A Report of Two Cases, by D. A. Cooper	176	Halliday, J. H., Blacket, Sinclair-Smith, Palmer and Maddox—Ebstein's Disease: A Report of Five Cases	26
Cowling, D. C., and Hicks—A Review of Cases of Polyarteritis Nodosa: With Special Reference to the Pathology	125	Hensley, W. J.—Hæmolytic Anæmia in Acute Glomerulonephritis	180
D		Heparin Preparations, Experience with the Intramuscular Administration of: A Comparison between Aqueous and Retard Heparin, by P. Fantl and L. Ebbels	135
Diabetes Mellitus in Association with Lowered Renal Threshold to Glucose, by Ewen Downie	120	Hicks, J. D., and Cowling—A Review of Cases of Polyarteritis Nodosa: With Special Reference to the Pathology	125
Disease in Childhood, The Pattern of, by Sir Macfarlane Burnet	93	Hueston, J. T.—Hydatid Disease of the Pericardium	186
Downie, Ewen—Diabetes Mellitus in Association with Lowered Renal Threshold to Glucose ..	120	Hydatid Disease of the Pericardium, by J. T. Hueston	186
Duodenal Intubation in Diagnosis, by B. P. Billington	142	I	
E		Intubation, Duodenal, in Diagnosis, by B. P. Billington	142
Ebbels, L., and Fantl—Experience with the Intramuscular Administration of Heparin Preparations: A Comparison between Aqueous and Retard Heparin	135	K	
Ebstein's Disease: A Report of Five Cases, by R. B. Blacket, B. C. Sinclair-Smith, A. Jean Palmer, J. H. Halliday and J. K. Maddox ..	26	King, E. S. J.—The Hæmodynamics of Subintimal Hæmorrhage	18
Electrocardiography, Vector and Linear, Comparative Studies in, by B. McA. Sayers ..	154	Knyvett, A. F.—Hæmorrhagic Disease due to a Circulating Anticoagulant, with Report of a Case	84

L			
Leucocytes, The Pelger-Huet Anomaly of the, by Eva A. Shipton	73	Rountree, Phyllis M., and Barbour—Antibody to the Erythrocyte-Coating Polysaccharide of Staphylococci: Its Occurrence in Human Sera	80
Lowe, T. E., and Sayers—Control of the Water Content of the Body	51	Royal Australasian College of Physicians, The..	88
Lyons, R. N.—The Role of Blood Coagulation in the Production of Haemolysis in Paroxysmal Nocturnal Haemoglobinuria	78	Proceedings of—	
M			
Maddox, J. K., Blacket, Sinclair-Smith, Palmer and Halliday—Ebstein's Disease: A Report of Five Cases	26	College Ceremony	196
Malabsorption Syndrome, The, by E. G. Saint and S. Weiden	58	Council Meeting	91
Malaria, The Chemoprophylaxis and Chemotherapy of, in Man with Special Reference to the Life Cycle, by Sir Neil Hamilton Fairley..	7	Clinical Meetings	196
N			
Notice to Contributors	6	General	91
P			
Palmer, A. Jean, Blacket, Sinclair-Smith, Halliday and Maddox—Ebstein's Disease: A Report of Five Cases	26	Ordinary Meeting	90
Parsons, Ian, Saint and Finckh—Acute Porphyria: A Study of Six Cases.. .. .	163	Scientific Sessions	195
Pelger-Huet Anomaly of the Leucocytes, The, by Eva A. Shipton	73	S	
Polyarteritis Nodosa, A Review of Cases of: With Special Reference to the Pathology, by J. D. Hicks and D. C. Cowling.. .. .	125	Saint, E. G.—	
Porphyria, Acute: A Study of Six Cases, by Eric G. Saint, Ernest S. Finckh and Ian Parsons	163	And Weiden—The Malabsorption Syndrome..	58
Q			
Quadruplets, The Blood Groups of, by R. J. Walsh	140	Finckh and Parsons—Acute Porphyria: A Study of Six Cases	163
R			
"Regitine", The Action of, in Man with Special Reference to its Adrenergic Blocking Action, by A. J. Barnett and R. Fowler	13	Sayers, B. McA.—
